Re: Request to Withdrawal Holding of Abandonment

RECEIVED

JUN 13 2005

Technology Center 2600

Dear Sir,

The above-identified application was filed electronically on April 8, 2002 concurrently with the request for assignment recordation. The notice of recordation of assignment for the above-referenced application with the correct customer number 031561 was received on May 27, 2002. However, we did not receive a filing receipt for this and 5 other applications (see the table below).

According to Mr. Kevin Diggs of the PTO on Jan. 3, 2003, the attorney of record for the 6 applications was Belinda Lee, but the customer number of each application was not 031561. As a result, the filing receipts were mailed to different law firms.

10/063,278	8028-US-PA	04/08/2002

Our office later confirmed with the OIPE that the customer numbers for the following 7 cases were incorrect. Hence, on April 1, 2003 we faxed a request for changing the customer number correspondence address to 703-746-9195 and on April 4, 2003 we sent the same request by courier. Please note that on the change of

correspondence address application submitted on April 4, 2003, the customer number bar code label provided by the PTO was used and the correct number 31561 was typed thereon.

On December 23, 2003, we contacted EBC regarding the current status of the US application no. **10/063,277** (08740-US-PA). The officer at the EBC indicated that the case was still under pre-examination and change of correspondence address had been recorded. However, we were told by the EBC on the following day that the subject case was under the customer number 31516, not 31561. We were suggested to file the change of customer number correspondence address again with the attention to the designated "art unit group" specifically.

Accordingly, on Jan. 5, 2004, we faxed the request for change of customer number correspondence address to 703-872-9306. On April 28, 2005, we have learned from the PTO that the subject application had been abandoned. Please note that we have never received the notice of abandonment.

Among the seven applications that we had collectively filed for the request for changing the customer number correspondence address on April 1, 2003, we had received official documents for five of them (see below, except for US application nos. **10/063,276 & 10/063,277**). This indicates that the documents we forwarded to the USPTO regarding the customer number correspondence address change have been received and processed by the USPTO. It is obvious that the subject application has been overlooked by the Office and no proper correction has been made to the customer number application address.

On May 6, 2005, we contacted the Electronic Business Center (EBC) for making a third request for changing the customer number correspondence address for the subject application. Mr. Charles Welch at the EBC responded on May 6, 2005 via email and informed us that the customer number for the subject application has been finally changed to 31561.

Since diligent effort has been made to change the customer number correspondence address for the subject application and a failure of timely changing the customer number correspondence address is due to an oversight of the Office, a withdrawal of the holding of abandonment for the application is hereby requested.

Enclosed herewith please find the following documents for your reference:

- (1) Requests for Customer Number Correspondence Address Change with fax confirmation report;
- (2) Request for Change of Customer No. from 31516 to 31561 with fax confirmation report;
- (3) Request for Correcting Customer Number with the request form sent via courier UPS with a copy of the UPS waybill;
- (4) Request for status check for certain EFS applications via email to Mr. Kevin Diggs;
- (5) Notice of Recordation of Assignment;
- (6) Acknowledgment Receipt of the application upon electronic filing.

Should you have any questions, please feel free to contact me at **Belinda@JCIPGroup.com.tw**.

Accordingly, our office sent an inquiry to Mr. Kevin Diggs at Kevin.Diggs@USPTO.GOV on Jan. 2, 2003. Mr. Kevin Diggs promptly replied on Jan. 3, 2003, stating that the attorney of record for the 6 applications was Belinda Lee, but each application contained a different customer number. As a result, the filing receipts were mailed to different law firms.
